## **EVALUATION OF CURRICULA AND INSTRUCTIONAL PROGRAMS**

The administrative staff is responsible for providing evaluations of all instructional programs and processes. This responsibility will be carried out as part of the CDEP (Comprehensive District Educational Planning) process.

District administrators will place strong emphasis on supervision and assessment of district instructional programs.

The purpose of evaluation of instruction will be to:

1. Determine educational needs and provide information for planning.
2. Indicate instructional strengths and weaknesses.
3. Show the relationship between achievement and the system's stated goals.
4. Provide data for public information.
5. Meet the provisions of the laws associated with the Annual Professional Performance Review.
